## **COUNCILMEMBER FRYE GIVES ANNUAL STATE OF CLAIREMONT ADDRESS**

*Frye discusses various issues with community members*

**San Diego, CA-** Tonight Councilmember Donna Frye gave her annual *State of Clairemont* address to community members at the January meeting of the Clairemont Town Council. Frye talked about recent accomplishments and future goals for the community. The *State of Clairemont* address was followed by a question and answer session in which community members had the opportunity to discuss various issues with Councilmember Frye.

“Over the past year we have been able to complete a number of projects within Clairemont,” said Frye, “By working I know that we will be able to accomplish even more during the upcoming year.”

Councilmember Frye singled out the Balboa Avenue Streetscape Improvement project as a shining example of the result of community members working together towards a common goal. The Balboa Avenue Streetscape Improvement project improves the quality and accessibility existing medians along the Balboa Avenue corridor.

Frye is the Councilmember for the Sixth Council District of the City of San Diego, which includes the communities of Clairemont, Kearny Mesa, Linda Vista, Mission Bay, Mission Valley and Serra Mesa. She has served on the City Council representing District Six since June 2001. She is currently the chair of the City Council’s Natural Resources and Culture committee. Councilmember Frye grew up in and lives in the Clairemont area.
